MADE A CLEAN SWEEP

INDIANAPOLIS LANDS ANOTHER GAME AFTER A HOT FIGHT.

The Millers Couldn't Quite Reach, Though They Came Dangerously Close-Now for Sloux City.

Five straight on the home grounds. That's what Indianapolis made it yesterday, and if they keep it up the season will close rather brilliantly after all. There may be nothing much left to race for, but Sharsig's men are right after Grand Rapids, and if the latter team would quit winning for a day or two Indianapolis would be alongside for fifth place. Detroit's hope of catching the Hoosier team has vanished, and Glenalvin's men are so far behind that they are not in the run-

Three straight from Crooks's band was scarcely to be expected, but the boys went to work with a will yesterday and turned the trick. Baker was sick and Fraser went in for the visitors. He pitched much the same sort of ball as Pepper, but the latter was a trifle steadier at critical stages and had a shade better support. Umpire Sheridan was a little off again, calling Mills on a line drive in the eighth which Fred Schaub, who was playing left for the visitors, picked up on the bound. Schaub made a "bluff" claim by holding the ball up and Sheridan allowed it, to the manifest disgust of the crowd. In a couple of close decisions at third Indianapolis got the worst of it and Minneapolis profited by two runs thereby. Twice the home team were favored in close plays at first, but all in all the visitors had no reason to complain. Hines was called out on a terrific drive in the seventh because he cut second base. The hit was easily a three-bagger, but the runner failed to touch second, and no kick was made when Motz claimed and was allowed the out, as the "cut" was so palpable. Crooks called Hines down very hard for his carelessness

Roat, Shields, Crooks and Burns did some remarkably pretty fielding. The un-assisted double by Roat in the first inning would easily have been a triple play but for the fact that there was one out. He took a liner from Werden's bat, touched Burns on the line and threw to third before Crooks could get back to that base.
Crooks had reached first on balls and second on Burns's bunt single, and Hines's
sacrifice had advanced them. The play was
clearly made and Boat brought the house lecerly made and Roat brought the house After this brilliant start in the open ing half Indianapolis jumped into the game as if to win it hands down. McCarthy started off with a double to right and Henry trotted to first on balls. Gray flew

to Crooks, but Motz hit safe to right, scoring McCarthy, after which Mills flew to
Crooks and Westlake struck out. Two
more were added in the fourth, when, with
two out, Westlake got a base on balls and
Roat followed with a single to center,
which went through Burns and scored Westlake. Roat reached third and scored on Shields's single to right. Pepper was retired at first. McCarthy's two-bagger, Henry's sacrifice and Hines's wild throw to the plate of Gray's grounder gave Indianapolis another run in the fifth. Minneapolis began scoring in this inning,
Schaub leading with a single, reaching
second on Fraser's sacrifice, third on a
passed ball and a doubtful decision and
home on Crooks's fly to Henry. The visitors added another in the sixth on Hulen's
single, a wild pitch, a steal and Wilson's
safe hit to right. They tied the score in
the seventh on scratch singles by Fraser
and Crooks and a hard drive by Hines,
who cut second and was called out for it.
In the eighth they had three men on bases, In the eighth they had three men on bases, with only one out, but Pepper kept his nerve, struck Fraser out and retired Crooks on a high fly to Henry. In the ninth they were easily disposed of and Indianapolis won out without trouble in the last half. Shields reeled off a two-bagger as a starter and Pepper got a base on balls. McCarthy came up, and, after letting two good balls go over the plate, hit the third one hard and clean to center, sending Shields home with the winning run. There was an increased attendance vesterday, between seven and eight hun-

vesterday, between seven and eight hundred people enjoying the game. Score: Indianapolis. A.B. R. H. O. A. E.

Sioux City To-Day. The coming champions of the Western League, Manager Watkins's Sloux City team, which is now so far ahead in the race that there is little chance of it losing the pennant, will begin a series of three games with the Indianapolis club, at the East Ohio-street Park, this afternoon, game being called at 3:30 p. m. Phillips will probably be in the box for Indianapolis and Hart for the visitors. Sharsig's men are playing an excellent game of ball at present, and are just as likely to win as they are to lose in the series with Sioux City. Ladies will be admitted free to-day and during the remainder of the season. Milwaukee comes next Saturday for two games, which will wind up the season.

High Government Authority.

No authority of greater experience on food products exists than Dr. Henry A. Mott, of New York. Dr. Mott's wide experience as Government Chemist for the Indian Department, gave him exceptional opportunities to acquaint himself with the qualities and constituent parts of baking powders. He understands thoroughly the comparative value of every brand in the market, and has from time to time expressed his opinion thereof. On a recent careful re-examination and analysis he finds

Dr. Price's Cream Baking Powder superior to all others in strength, purity, and efficiency. Dr.

Mott writes :-" New York, March 20th, 1894. I find Dr. Price's Cream Baking Powder to be superior

to all others, for the following reasons :-1st. It liberates the greatest amount of leavening gas

and is consequently more efficient. and. The ingredients used in its preparation are of the purest character.

3rd. Its keeping qualities are excellent.

4th. On account of the purity of the materials and their relative proportions, Dr. Price's Cream Baking Powder must be considered the acme of perfection as regards wholesomeness and efficiency, and I say this having in mind certificates I have given several years ago respecting two other baking powders.

The reasons for the change in my opinion are based on the above facts and the new method adopted to prevent your baking powder from caking and deteriorating in strength.

CHICAGO, Sept. 18 .- To the disappointment of a large crowd of spectators the 'Colts' were twice defeated to-day. The first game was a pitchers' battle, captured by the "Glants" in the seventh on Dahlen's fumble, followed by Rusie's fourbagger, all after two men were out. In the second the visitors played a perfect fielding game, while the local team gave Griffith very "ragged" support, presenting the Gothamites with six of their runs on all kinds of fumbling and wild throwing. Game was called on account of darkness after the Chicagos had been ratired in their half of the sixth. Attendance, 5,700,
